

Slide 8

Objective: Present the key performance indicators and metrics that will measure success across all four VPO areas, providing clear targets for autonomous team performance.

Layout Composition:

The slide is a flex-col with a header sized to content, a main body that grows to fill the remaining space, and a footer sized to content. The main body is a grid with two rows (auto 1fr). The top row contains the KPI overview, and the bottom row is a grid with four columns (1fr 1fr 1fr 1fr) representing the four VPO areas with their specific metrics.
