

Slide 5

Objective: Define clear Volume roles and responsibilities for both Frontline and Leaders, focusing on optimal output and efficient operations to meet production targets.

Layout Composition:

The slide is a flex-col with a header sized to content, a main body that grows to fill the remaining space, and a footer sized to content. The main body is a grid with two columns (1fr 1fr) representing Frontline and Leaders responsibilities, with consistent spacing between the columns.
